Welcome to Pietre di Firenze

Pietre di Firenze is the new range of Italian designer stone from Strata Tiles. This stunning new collection has been met with a rush of interest and excitement from the design community.

This beautiful collection of twenty one different styles speaks of a quality and finish that resonates the best in Italian stone and marble, from the hugely tactile and attractive *series 4*, as shown in the image on the right, to the rich and luxurious *series 21* and mysterious and moody *series 07*.

The Pietre di Firenze range from Strata Tiles offers interior designers and architects a quality of product that they can rely on to deliver that exquisite finish to any space.
